

Emergency School Closings - Weather-Related

We will be closed when the Central Bucks School District (#755) is closed. Please access cbsd.org for up to date school closure information.

If Central Bucks announces a two-hour delay:

- **PRESCHOOL-** students will have an abbreviated session from 11:00 – 1:15. Please send your child in with a light lunch or hearty snack. ***Lunch Bunch will not be offered.**
- **KIDZ CLUB-** session will run 1:15 -2:45. **Limited drop-ins will be available**

Parents are encouraged to use the information sources previously mentioned to learn about early school closings. Please pick up your child early on any day that you feel traveling may be hazardous. We will remain in session until the last child is picked up.

Snow days will be made up once we have missed three days of regular morning classes. Parents will be notified well in advance of the revised schedule.

Note: TBA follows the Central Bucks School District (CBSD) Inclement Weather Closing policy. However, it is up to the TBA Director's discretion to close the school if travel conditions are deemed unsafe. **As always, parents should also make their own determination whether to drive your preschooler to school or remain at home even if TBA is open.**
